The apartment has the advantage of a private hallway/lobby with a useful storage cupboard and Velux window and an archway leading to an occasional room, currently used as a study/bedroom three, with a further Velux window with a built in blind. The gas central heating boiler is housed in a cupboard in this room.

Stairs lead to the kitchen which is fitted with a range of modern cream wall and base units, complimenting wood effect worktops, an integrated fridge/freezer, a gas hob, electric oven, washer/dryer and there is a slimline dishwasher.

The living/dining room is a particularly lovely space with a vaulted ceiling, exposed beams, sash style windows and an electric fire with a marble hearth.

There are two generous double bedrooms, both with vaulted ceilings and sash style windows. One of the bedrooms has the benefit of a modern ensuite bathroom with travertine tiling and there is an additional shower room with a walk in shower and travertine tiling.
